

<u>SPEAKER</u>	<u>TOPIC</u>	<u>OVERVIEW</u>
<p>Sergeant Derek Prestridge Texas Department of Public Safety, and Sergeant Cody Mitchell Texas Rangers</p>	<p>Interdiction for the Protection of Children</p>	<p>This session will educate law enforcement officers on the skill of using interdiction techniques while conducting traffic stops to identify abducted and exploited children or suspects that may be a high risk threat to children.</p>
<p>Sheriff Gary Toelke Franklin County Sheriff's Office, Rob Livergood Assistant United States Attorney Eastern District of Missouri, and Special Agent Christina Kinney FBI St. Louis</p>	<p>Case Study: Abby Woods, Ben Ownby, and Shawn Hornbeck</p>	<p>This session will cover the investigation of the Abby Woods infant abduction case. Aspects of working with multiple jurisdictions, working with the media, and law enforcement interaction with the victim's families will be addressed. Additionally, the session will cover the abduction cases of Ben Ownby and Shawn Hornbeck. It will address how the interagency cooperation developed and fostered between multiple jurisdictions during the investigation of the abduction of Abby Woods prepared for the advanced level of collaboration that would be needed in handling the Ownby and Horbeck cases. Aspects of dealing with the victim's families, the media, and the interaction between agencies to bring this high-profile investigation and prosecution to a successful resolution will be explored.</p>
<p>Chief Jason French Special Investigations, Jeff Shackelford, Forensic Examiner, and Bart Dickinson Assistant Attorney General Office of the Attorney General</p>	<p>The Attorney General's Cyber Crimes Unit</p>	<p>This session will provide an overview of the Attorney General's Cyber Crimes Unit. This specialized unit of the Special Investigations Division pairs with prosecutors, local, state, and federal law enforcement agencies in an effort to combat child pornography and Internet crimes against children statewide.</p>
<p>Sergeant Anthony Bowers Special Investigations Supervisor, and Detective Mike Warren Computer Forensics Examiner Special Investigations Division Fort Smith Police Department</p>	<p>Internet Case Study: A Family Predator</p>	<p>This session will explore how the bravery of a young, teenage girl led to the exposure of a depraved, family predator and the rescue of mentally challenged, teenage boys from horrific, sexual abuse. We will introduce you to the predator, his history, and his family members; then touch on the extent of his abuse. We'll discuss the investigation including the forensic examination of phones and computers that led to the arrest, and successful prosecution of the suspect. Finally, we'll examine the victim impact and fallout.</p>
